Subject: Appreciation for Participation & Upcoming Sign Language Spelling Bee (SLSB) Contest 2025

Dear Head Teacher/Coordinator,

Warm greetings from SLIC Hub.

We are pleased to inform you that, in partnership with **the Ministry of Education**, SLIC Hub recently conducted school visits to a number of institutions within Nairobi County that have participated in the Sign Language Spelling Bee Contest. These visits were part of our ongoing efforts to monitor the impact of the initiative and championing inclusive learning.

The visiting teams were deeply impressed by the growing interest and engagement in Kenyan Sign Language (KSL) among hearing learners, as well as the notable progress and confidence among Deaf learners. It was encouraging to see how the contest is helping bridge communication gaps and promoting inclusive interaction within school communities.

We take this opportunity to commend all schools that have taken part in the contest. Whether your school was visited or not, your involvement, dedication, and commitment are greatly appreciated. Your efforts are a clear sign that our collective mission toward inclusive education is bearing fruit.
